

## Managing your reputation

At Field & Lawn Marquees we realise that the image and reputation of a company can be enhanced through professionally delivered events. Our commitment is to do just that.

When it comes to corporate event solutions, Field & Lawn Marquees delivers more events of this kind than any other marquee hire company in the UK.

Across our nationwide network of branches we offer you our award-winning expertise, proven planning skills and our commitment to excellence. We combine this with a vast range of top quality temporary structures, equipment and accessories.

Through a dedicated Account Manager we will strive to exceed your expectations by delivering the best possible service and value.

## Your bespoke corporate event

At Field & Lawn Marquees we provide equipment to the most discerning customers, within demanding timescales and often in the most challenging environments.

Whether you are entertaining important clients, launching a new product or hosting an international conference, our experienced, professional staff will help you to design a solution. We combine carefully chosen features to create exactly the surroundings you require for your marketing or business activity. Thus making the space you need.

Here are just a few more reasons to choose Field & Lawn Marquees for your corporate event:

- Key Account Management to enable a single point of contact over multiple delivery locations
- Range of Clearspan structures from 2 metres to 30 metres wide
- Industry-leading service management software
- Practical and professional assistance, every step of the way
- National coverage for all your UK needs with locally managed supply
- Continuous product investment to ensure high quality modern materials
- Variety of interiors and lighting options
- ISO 9001 accredited systems.
