

Your dream wedding can become reality

With a marquee comes the freedom of choosing the setting for your special day – whether it's in the grounds of a historic site or a grand hotel, on a beach, a cliff top or in your own garden space – Field & Lawn Marquees can help make your dreams a reality.

The beauty of a marquee wedding celebration is that you are in control. Summer or winter, classic or contemporary, we will build your venue to create the unique atmosphere and ambience that you dreamt of.

Your marquee options are endless

Choose from a number of window options or select clear gable ends so that you and your guests can appreciate the view. Choose a red carpet or parquet wooden flooring. Choose other interior marquee features from the colour and texture of the lining to the lighting and furniture to complement your theme. We will guide you through.

Our wedding marquees are for all weathers, heated or air-conditioned, decorated and lit in the style of your choice.

It really is up to you.
